## Absolut Curve Features:

Tough look? Check. Aggressive Roll? Check. Devastating backend reaction? You bet. Absolut Curve has everything that Hammer bowlers want. With the combination of the new FatMax core shape and our H-150 Crosscover Reactive shell, the Absolut Curve gives Hammer bowlers the most angular mid-price ball from the Hammer line in years. Combine that with a tough looking black, orange, and yellow combination and you've got one unbelievable product. Nothing Hits Like A Hammer!
